After we had to postpone the SwissRN Annual Meeting, it is now scheduled to take place in person on **January 13, 2023 in Berne**. Please save the date and **register [here](#)** until Friday, 16th December 2022.

### Program Highlights:

- Presentation of the first [Swiss Reproducibility Award](#)
- Keynote by [Brian Nosek](#), Co-founder and Executive Director of the Center for Open Science
- Discussion of the SwissRN Strategy Framework

### Reports by Local Nodes, Working Groups and the SwissRN Academy

We have reserved slots for reports on activities by local node leaders, working group members and members of the SwissRN Academy. Please let us know by 2 December 2022 if you would like to present. Your contribution would be very welcome.

### Change in the SwissRN Team

Eva Furrer, who has been the coordinator of SwissRN since its founding in July 2020, has resigned at the end of September 2022 in this role. We thank Eva for all her great work, expertise, engagement and good humor that was key to stimulating SwissRNs activities. We are very happy that Eva stays a member of the SwissRN working group Training. As of November 1th, 2022 Manuela Höfler has taken on the position as SwissRN coordinator. Welcome to the team, Manuela!
